5. SOURCE OF FUNDS

The Consideration will be funded by the Group’s internal resources.

6. RATIONALE FOR AND BENEFITS OF THE TRANSACTION

The Board believes that the Transaction is in the best interests of the Group, as it would result in a financial gain of RMB 5,365,327 for the Group, as well as an entitlement to interest income going forward.

Pursuant to the terms of the Second Debt Transfer Agreement, CRCE has agreed not to commence any enforcement proceedings against Vibrant Pucheng for the period commencing on the date of the Second Debt Transfer Agreement and ending on 30 June 2026. This arrangement will protect Vibrant Pucheng from legal action from CRCE during this period, thereby

providing the Group additional time and flexibility to pursue the realisation of the Property at an optimal value, without the risk of premature enforcement.

At present, the Group has no intention of acquiring the remaining portion of the Relevant Debt. Any such transaction, if contemplated in the future, will be subject to a separate review of the Group's financial resources and strategic considerations.
