

# The Right DIRECTION

Annual Report 2013

Freight Links Express Holdings Limited

## About the Freight Links Group

Since its establishment in 1981, the Freight Links Group has grown and made significant strides in transforming itself into a dynamic organisation with diversified business interests. In addition to being a leading logistics solutions specialist, Freight Links Group has successfully ventured into becoming a real estate fund and property manager and an investment group focused on long-term growth and value creation.
